

## **Explanation on Grading System of Tianjin Academy of Fine Arts**

This is to certificate that every course result is scored on hundred-mark and adopted the hundred-mark system and grade-point system to evaluate and measure student's learning performance in Tianjin Academy of Fine Arts. The conversion method between hundred-marked score and grade point is as below:

**Score 90-100 equivalent to grade point 4.0-5.0 (90 equivalent to 4.0, 91 equivalent to 4.1, and so on, the same below);**

**Score 80-89 equivalent to grade point 3.0-3.9;**

**Score 70-79 equivalent to grade point 2.0-2.9;**

**Score 60-69 equivalent to grade point 1.0-1.9;**

**Score below 59, grade point is 0.**

The GPA of students in our academy is calculated as follows:

The GPA is based on the courses that students have obtained results in the current study. Each course GPA multiplied by its credit and cumulate them, then it is divided by the total credits of each course.

i.e.:  $GPA = \frac{\Sigma(\text{Course Credits} \times \text{Course GPA})}{\Sigma \text{ Course Credits}}$

$\Sigma$  Course Credits
